PROFESSIONAL ENDORSEMENT FROM AN EVENT ORGANIZER

I had the pleasure of taking Renee's workshop, *Trusting Your Soul's Guidance* as well as experiencing a private session between her and our dog, and both experiences did not disappoint. Renee's kindness and compassion helped set the tone immediately. If you are looking for clarity or want a deeper connection to yourself (or your pet), I highly recommend Renee. She has even taken the time to sit with my daughter to explain what she does. Sharing her skills, and gifts (even with an excited nine-year-old) is just who Renee is. **Everything she does is from the heart.**
